

RESOURCES FOR COMMUNITY ORGANIZATIONS

Poverty Solutions is committed to engage community in seeking new solutions to prevent and alleviate poverty.

» GRANT FUNDING

- Poverty Solutions offers grants to community-academic partnerships. If your organization is hoping to partner with a U of M researcher on action-based research, a community-academic partnership may be right for you. If you search our [Faculty Experts](#) and find a researcher that you may be interested in working with, reach out to poverty@umich.edu and we'd be happy to make an introduction.
